PRECEDENT

american made contemporary upholstery

sustainable.

Meticulously crafted furniture is an investment in your home and the planet.

attainable.

We believe that Made in the USA quality and style doesn't have to be expensive.

fashionable.

Timeless, contemporary styling that fits your lifestyle today… and for a lifetime.

3139-S1 Delaney Sofa / 3145-C1 Ashley Chair

Superior Craftsmanship.
Sustainable Practices.
Unmistakable Value.

For over thirty years, every piece of Precedent upholstered furniture has been meticulously and sustainably crafted for exceptional value. Only certified lumber and recycled steel are selected for Precedent to help preserve limited resources. Our dedicated American craftspeople combine experience, talent and uncompromising attention to detail to produce superior products that you'll be proud to have in your home.

fabrics

With over 500 fabrics to choose from, Precedent has the perfect look for your home. Our fabrics are from the top mills and feature the most current looks.

finishes

Precedent offers optional finishes for most of our upholstery styles for no additional charge. See page 188-189 for all finish options.

StudioP Custom Loft enables you to choose depth, arm and back styles, tailoring and base options.

custom

StudioP is the umbrella for all things custom. Each StudioP program offers the opportunity to create your own one-of-a-kind design statement. Our seating, dining chair and bed programs each offer thousands of custom options, everything from arm or base styles and configurations, to tailoring and headboard options. See page 150.

comfort

Our goal is to create the most comfortable and highest quality furnishings for your home. Precedent specifies and utilizes the very best cushions for each frame we make, ensuring that each piece is as comfortable as it is stylish.

Sofas

Precedent offers a diverse line of sofas. From mid-century modern to classic, each is designed with ultimate comfort and style in mind.

Dual Back Innovation

The versatility of the dual back design allows the option to adjust your seating height and depth. Keep the standard position for a more formal feel and look. Create the perfect space to curl up with a good book or watch TV by changing to the opened position. Simply raise the cushion to reposition back for more height and deeper depth.

Dual Back Innovation

The versatility of the dual back design allows the option to adjust your seating height and depth. Keep the standard position for a more formal feel and look. Create the perfect space to curl up with a good book or watch TV by changing to the opened position. Simply raise the cushion to reposition back for more height and deeper depth.

Vintage made MODERN

A collection of vintage inspired silhouettes that have been updated to fit today's modern lifestyle. We draw inspiration for the frames from American and European styles that were popular from the 1940s through the 1960s. Whether used as accent pieces or as an entire room, Vintage Made Modern's fashionable influences from the past will enhance any décor.

sleeper mechanisms & mattress specifications

Mechanism

Double Locking TV Headrest - provides added comfort while lounging or watching TV by raising the upper body.

All Tubular Frame Construction & Dual One Piece Tubular Legs - provide enhanced stability and strength by allowing the unit to be operated from the center and side position.

Extended Deck Coverage - the polypropylene decking is designed to extend beyond the metal frame and linkage parts eliminating any metal to upholstery contact.

Seat Support Wires - provides support while sleeping, plus adding durability to the overall unit. Support wires also give the quality feel of stationary seating.

Mattress

Standard with 5" Innerspring Mattress.

Queen size mattress 60" x 73" – standard in Q1, QL, QR.

Full size mattresses 54” x 73” – standard in R1.

Single mattress 32” x 72” – standard in T1.

Securely locked cover insulation – unique tufting locks the cover and cushioning material into place, prevents it from bunching, making it easier to fold and store.

Longer life and more support – inner springs are totally oven tempered, giving the units “memory”. The units have resiliency which provides longer lasting performance.

Luxurious deep comfort – cover is quilted to a thick layer of Kingsdown quality foam.

Reduced coil and edge feel – fully enclosed spring unit is bonded with Flexatron insulation for permanent shaping, hugging the edges so it can never shift, lump or bunch.

Allergy free, Odor-free, Mildew resistant – Flexatron is a blend of all man made fibers, thermally bonded at over 400° F, providing a hypoallergenic padding material that will not host mold or mildew.

Air Dream Mattress

Air over coil technology creates a sleep surface with the comfort and support that rivals premium mattresses.

Operates with a lightweight, convenient, handheld, quick fill electric pump (included). Air Dream mattress inflates in 45 seconds, deflates in 30 seconds.

Available at an upcharge on Q1, QL, QR (Queen Sleepers) & R1 (Full Sleepers). Not available on T1.

cushions

At Precedent, we're all about comfort, and nothing effects the comfort of your sofa or chair like the cushion. Each type of cushion is created with your comfort in mind. We select a standard cushion for each style, but optional cushion types are available on many styles. Please refer to your price list for available options.

Luxury Spring Seat (LSS) - A cushion that features a Marshall spring unit which is encased in a high resiliency urethane core. Then a soft-cell foam layer is applied to the top and bottom and is sewn into a ticking.

Comfort Firm Seat (CFS) - The comfort firm cushion is engineered the same as the Luxury Spring Seat, except stronger springs and firmer foam are utilized to give a firmer seat.

UD Cushion (UD) - A combination of premium urethane foam with a soft cell foam layer applied to the top and bottom, then sewn into a ticking.

Ultra Lux Cushion (ULS) - A cushion that features a Marshall spring unit which is encased in high resiliency foam. Then a soft-cell foam layer is applied to the top and bottom and it is encased in a jacket of 100% blended feathers and down.
